Flower Island Branding - Concept

- A long term landscape design project to rejuvenate and refresh the Saipan, Tinian, and Rota brand images to that of a beautiful beach resort destination full of green and trees and colorful flowers.
- The goal is to establish the Flower Island brand, and welcome more tourists from all resource countries to participate in this project while they visit and enjoy, through a variety of attractions and events built around this branding activity.

Flower Island Branding - Concept

Flowers for Marianas The Beautiful Flower Island

◆ Bougainvillea

◆ Cordyline
