**MVA LAUNCHES PUBLIC ONLINE CALENDER**

**Saipan, Northern Mariana Islands (NMI)** – Ever wish there was one website where you could see all the public events happening this week in Saipan, Tinian, and Rota? Your wish is granted.

The Marianas Visitors Authority (MVA) has launched a new online calendar at [www.mymarianas.com](http://www.mymarianas.com) where event organizers can post events open to both visitors and residents.

“We welcome posts by community members with the goal of making [www.mymarianas.com](http://www.mymarianas.com) a one-stop calendar for any visitor planning their visit or any community member wanting to publicize their event,” said MVA Managing Director Perry Tenorio. “Through the years, our on-line calendar of events has grown from events sponsored or supported by the MVA and our members to what we have today, an interactive, online calendar where any organization, office, or individual can submit an event for inclusion.”

The Calendar of Events is listed under the “What to Do” section of the website. Events open to the public and welcomed for posting include markets, fairs, festivals, fiestas, walk-a-thons, concerts, exhibits, fundraisers, sporting events, and more. Events may be free or have an

admission price.

“This is a great opportunity for the community to help support the tourism industry by allowing visitors to enrich their visit through community interaction,” said Duenas. “We’re looking forward to the growth of this resource.”

Events submitted for inclusion will be reviewed for approval by the website administrator prior to posting.
