NMDOA, MVA CLEAN LAULAU BEACH

Saipan, Northern Mariana Islands (NMI) – Northern Marianas Dive Operators Association (NMDOA) and the Marianas Visitors Authority (MVA) joined forces to clean up Laulau Beach on June 29, 2015, where they cut grass, cleared brush, and picked up trash and debris. NMDOA and the MVA jointly adopted the popular dive spot several years ago.

The Northern Mariana Islands of Saipan, Tinian, and Rota are a chain of idyllic islands in the West Pacific, offering a friendly, fun and exciting vacation in paradise. They are an excellent destination for families, adventure and sports-minded travelers, as well as business people looking for a tropical haven. Adventurous travelers from Asia, Australia, Europe and elsewhere looking for new travel discoveries will find them in the Mariana Islands, just three hours travel from most cities in Japan, and four from Asia and Australia. The Northern Marianas are served from Tokyo and Osaka in Japan by Delta and Asiana Airlines. From Korea, Asiana provides direct daily flights from Seoul and Busan and Jeju Air provides daily service from Seoul. From China, direct flight service from Shanghai, Beijing, Guangzhou, to Saipan is available. United Airlines has daily flight connections from nine cities in Japan to Saipan with one stop. United States mainland connections can be made by Delta Air Lines to Saipan via Tokyo Narita, and United Airlines via Guam. Russian and Taiwanese visitors usually arrive via Seoul.
