**MVA, NMDOA CLEAN LAULAU BEACH DIVE SITE**

**Saipan, Northern Mariana Islands (NMI) –** The Marianas Visitors Authority and Northern Marianas Diving Operations Association conducted their regular cleanup of Laulau Beach on Aug. 12, 2016, clearing overgrown brush and picking up trash in the area. The site was adopted by the MVA and NMDOA several years ago and is one of Saipan's most popular dive sites.

Representatives of Northern Marianas Diving Operations Association and Japan Saipan Travel Association participate in regular cleanups of the island, including on June 29, 2016, from the Carolinian Affairs Office beach north to Fiesta Resort & Spa.

The Northern Mariana Islands of Saipan, Tinian, and Rota are a chain of idyllic islands in the West Pacific, offering a friendly, fun and exciting vacation in paradise. They are an excellent destination for families, adventure and sports-minded travelers, as well as business people looking for a tropical haven. Adventurous travelers from Asia, Australia, Europe and elsewhere looking for new travel discoveries will find them in the Mariana Islands, just three hours travel from most cities in Japan, and four from other parts of Asia and Australia. The Northern Marianas are served from Tokyo Narita in Japan by Delta Air Lines and Asiana. From Korea, Asiana, Jeju Air, and Jin Air provide direct flights from Seoul, and Asiana also provides service from Busan. From China, direct flight service from Shanghai, Beijing, Guangzhou, and Hong Kong to Saipan are available. Philippine Airlines provides nonstop service from Manila to Saipan and connects with many cities in China and across Asia. United Airlines has daily flight connections from nine cities in Japan to Saipan with one stop. United States mainland connections can be made by Delta to Saipan via Tokyo Narita, and by United via Guam. Russian and Taiwanese visitors usually arrive via Seoul or Manila.
