Beautify My Marianas

What is Beautify My Marianas?

Beautify My Marianas enables the community and student groups to raise money for their causes by giving them the opportunity to cleanup designated sites on Saipan, Tinian and Rota. This program raises awareness of the importance of having a clean and safe environment, reduces littering and creates a unique sense of pride in our islands. Beautify My Marianas offers \$100 for each mile cleanup in assigned areas.

Who is Eligible?

Any established organization or a group made of community members.

What are the responsibilities of a Beautify My Marianas Group?

The group is required to complete an application form and submit to the Marianas Visitors Authority. In addition, the group agrees to the following:

- Upon signing the application, the group will retain all liability for accidents, injuries, etc. during the cleanup.
- Applications must first be turned in for approval, at least three (3) days prior to your schedule.
- Groups will remove trash from both sides of the roadway or at designated areas.
- When participants are seventeen (17) years and younger, the group shall have one (1) adult supervisor for every five (5) minors.
- The group agrees to obtain all supplies and materials needed for the cleanup.
- The group MUST properly dispose of garbage collected at the Transfer Station.
- Each group must provide a written report, photos (before, during & after) of the activity, name list, the receipt from the Transfer Station and an invoice. All documents must be submitted, **two (2) weeks**, after the completion of the activity. Payments may be made within 30 days after all requirements have been met.

IT IS REQUIRED THAT ALL PARTICIPANTS:

- Wear bright clothing, shoes (no open toes), gloves and long pants.
- Pick up trash ONLY during daylight hours.
- Do not pick up dead animals or hazardous materials.
- Chemicals and similar items should be reported to the proper authorities.
- Children under eighteen (18) must have adult supervision.
